

BHI Energy Organization Announcement

We are pleased to announce the addition of Aaron Gaskins as our Employee Concerns Director. Aaron will be based out of our Piedmont, SC office and report directly into Bob Decensi, CEO.

Aaron has over 15 years of employee concern experience, investigator and management experience working with companies like CB&I Power, Bechtel Power, and the US Department of Labor, OSHA-Office of Whistleblower Protection. He brings a wealth of knowledge to BHI in all employee concerns, compliance and management areas and has been in senior level & leadership positions with his previous companies.

Aaron's overall leadership for the employees will be a great addition to the BHI Energy team.

Please join me in welcoming Aaron to BHI!
